GARNERTECH

Lightning Powered Technology

WHY GARNER TECH?

Here at Garner Tech, our passion for technology drives us to deliver quality support to all of our customers and to ensure the best possible experience. We use the highest quality hardware in our machines, all of which can be fully customised and tailored to you.

All of our computers are hand built & tested in house to ensure that there are no issues when receiving the machine. We especially focus on cable management and cleanliness, making sure your computer looks as good as it performs. If however, you experience any problems once you receive your computer, don't panic, we're here to help.

WARRANTY

- 3 Years Labour Warranty Period
- 1 Year Parts Warranty Period

LEAD TIMES

On average it takes between 5-8 working days to receive your order.

DELIVERY

All of our products are shipped with DPD Next Day* shipping.

*Once built for PCs.
